- **2** -43 25X1 Currency in China at present is very stable, and prices of materials 25X1 are also level. There is no private enterprise in China 25X1 today, and all business must be done with the Government's cooperation. Not only all waste land, but all private land as well has gone into the Cooperative Association. This is composed of nine villages. All 25X1 villagers must belong, and are paid in June and December of each year, according to the emount of work done. 25X1 there is no greed smong official circles here, and it is better to trust and rely on the Government 25X1 or the Cooperatives, then en an individual. 25X1
